CODEO SOFT SOLUTIONS INTERNSHIP -CUM-TRAINING PROGRAM

CODEO SOFT SOLUTIONS

About the company

Codeo soft solutions is a professional training and internship organization focused on providing industry-oriented skills, real-time project exposure, and career-ready experience to students. Our goal is to bridge the gap between academic knowledge and real-world application.

Company Benefits to Students

Students selected for this internship program will receive:

- Practical, industry-relevant training
- Real-time project experience
- Mentorship from experienced professionals
- Structured learning roadmap
- Internship offer letter
- Completion certificate
- Letter of Recommendation (for top performers)
- Resume & interview guidance
- Portfolio / project support
- Opportunity for extended internship or placement assistance

This internship is designed to build real skills, not just certificates.

Internship Structure

Mode: Online / Offline / Hybrid
Duration: 3 Months
Weekly Commitment: [Example: 6 days/week, 2 hours/day]
Training Type: Guided training + live tasks + project work
Assessment: Weekly evaluation + final project review

Fee structure: 10,000/- Rupees

Important Note

This is a paid internship-cum-training program. Internship offers are provided based on performance during training and project evaluation. Students are advised to verify all program details before enrollment.
